Memo No: BECM-2024/94

Date:- 06/05/2024

NOTICE

The Department of Building Engineering & Construction Management (BECM) is thrilled to announce the upcoming publication of a magazine in conjunction with Construct Carnival 1.0. We are inviting technical writing contributions from esteemed teachers and talented students representing various universities across Bangladesh. All submissions should be sent via email to cc.becm.ruet@gmail.com by the specified deadline.

Submission Guidelines:

- Submissions are welcomed from both teachers and students.
- Topics can range from recent research findings to practical insights, case studies, or reviews related to building engineering and construction management.
- All submissions must be original and previously unpublished.
- Technical papers, essays, case studies, and informative articles are all encouraged.
- The length of submissions should be between 500 to 2000 words.
- Please include your name, affiliation, and contact information along with your submission.

Submission Deadline: May 15, 2024.

We look forward to receiving your insightful contributions and making Construct Carnival 1.0 Magazine a testament to the collective expertise and innovation within our academic community. For any inquiries or further information, please feel free to contact us at the provided email address.
